Cruise Gift Certificates – Year-Round 7-N Caribbean Example

Go Bucket List Travel can provide your non-profit organization cruise certificates for two for travel on Carnival, Royal Caribbean or Celebrity Cruise Lines that you can use as a grand prize in a fundraising program. Certificates range from a simple 3-night sailing to the Bahamas to extended 7-night voyages to the Caribbean, Alaska, Canada and even Europe.

The certificate price will vary by cabin type, length of cruise, itinerary, ship type and whether taxes, fees, port charge or gratuities are included and if there are any black-out dates. Certificates are usually good for over a year.

Below are a few examples of two people sharing a stateroom on a 7-night Caribbean voyage with current prices for the gift certificates broken out by cruise line, cabin and amenities. RCCL prices are higher for Oasis-class ships.
