Alaska...

We love Alaska, have visited the state over a dozen times, escorted several cruise and rail tour groups and have a broad selection of trusted suppliers.

We can custom design almost any itinerary you can imagine from self-guided to escorted trips to fishing expeditions, wildlife encounters and, of course, we can match you with the best choices in cruises and cruise tours.

Alaska is very popular. We saw the better lodges and tours heavily booked by March. So please call us. It is not too early to begin planning your 2018 Alaska adventure.

Spotlight on a Papal Wedding Blessing

Most Wednesday mornings when the Holy Father is in Rome, the faithful may visit with him at the Papal Audience held in St Peter's Square at the Vatican.

This traditional gathering offers everyone the opportunity to see the Pope up close, listen to his teachings and receive his general blessing. It can be a wild affair as groups from around the world celebrate the day as they are publicly recognized. We would be happy to arrange entry for you and your group into the celebration and custom design your Vatican tour.

At the conclusion of the Papal Audience, something more wonderful happens. The Pope meets with *Sposi Novelli*, newly wedded couples, married within two months of the audience, dressed in their wedding attire. The Holy Father then blesses their marriage and wishes them joy in their new life together.
