AWARD - WINNING DELUXE RIVER CRUISES

Emerald Waterways is the only river line that has received awards from Cruise Critic's discerning editors each year since its inception. From 'Best New River Ship' to 'Best River Line for Value,' our ships are praised for their innovative highlights and modern approach to river cruising. In addition to comfortable cabins and a relaxing atmosphere in our public spaces, we have unique venues onboard and experiences onshore for your guests, something we believe sets us apart.

Take a Dip in the Pool

Unlike any other river cruise line on Europe's rivers, our deluxe ships have a heated swimming pool complete with retractable roof - the perfect place for you to relax whatever the weather. On select evenings, the pool area inventively transforms into a cinema showing a collection of films or sporting events. This location would also be the perfect setting for your group's meeting, service or cocktail party.

View from the top

When the weather is warmer, our panoramic Sun Deck features a walking track, putting green, games area and plenty of seating. Host a cocktail party or activities night with your group while you enjoy the views passing by.

Unique Experiences

Participate in an included **EmeraldPLUS** or **EmeraldACTIVE** experience at select destinations and go way beyond the standard tourist offerings to a richer, more authentic experience of local European culture. **EmeraldPLUS** excursions may include a home-hosted afternoon tea with a Slovakian family or an **EmeraldACTIVE** guided hiking or biking tour from Dürnstein to Melk, a hike up to Wërtheim Castle, or canoeing along the Douro River.
