Our 10-day private tour of Sicily is packed with culinary, architectural and historic treasures that have withstood the ages. We'll gather in historic Palermo and begin our "off the beaten path" tour marveling the baroque style of the city's historic sites, and savoring authentic Sicilian culinary specialties that have been handed down for generations.

From panelle, arancini, and cannoli – to almond biscuits and Marsala wines – our escorted tour of Sicily will be an epicurean's dream when it comes to cuisine. We'll also treat you to a tasting at Sicily's oldest chocolate factory.

As we tour the perimeter of the beautiful island of Sicily on our private bus, we also feature a relaxing cruise to the small island of Motya, as well as escorted tours inland through Sicily's centuries-old UNESCO World Heritage Sites such as the elaborate Villa Romana del Casale in Piazza Armerina.

From palaces to markets to churches, you'll encounter Sicilians in their daily life as well as appreciate ancient works of art, architecture, and archaeological treasures. Imagine, standing in the Valley of the Temples in Agrigento with its Greek structures that have miraculously endured 24 centuries, the iconic St. George Cathedral and Ibla district of Ragusa, and the famous mosaic-tiled Staircase of Santa Maria del Monte in Caltagirone.

We'll travel on to Syracuse – birthplace of mathematician Archimedes – for a guided sightseeing tour that includes the famous 5th-century-BC Greek theater. You'll also enjoy seeing the Church of Santa Lucia – filming location of Michael Corleone's wedding scene in The Godfather movie – then relaxing with a granita and brioche at a local bar.

Our Sicily tour package concludes at a relaxing up-scale resort on the beautiful Taormina Riviera with an opportunity to visit nearby Mount Etna – Europe's largest active volcano. A sumptuous meal will put the finishing touch on your beautiful tour of the ancient island of Sicily – with new memories to cherish for years to come.
